Punctuality and Registers

As we look forward to October, we are focusing on our students being in lessons, listening and learning.

This means our staff are focusing on punctuality and registers; unless your child has a toilet pass or time out card supplied by us, they will not be allowed out of lessons for any reason.

If your child is in the corridor in lesson time, they can expect to be spoken to by every member of staff they meet.

Anti-Bullying Policy – Student Friendly Version

We have been working hard with the Anti-Bullying working party of students, staff and parents on the new Anti-Bullying policy – please see our website for the full version. Below is the student friendly version.

JCA Anti-Bullying Policy – Student Friendly Version

- ✓ JCA has a **moral** and **legal** duty to protect students from bullying behaviours.
- ✓ JCA does **not tolerate** discriminatory and bullying behaviours based on race, gender, appearance, sexuality, special educational needs and disability, and / or home circumstances.
- ✓ JCA adopts the Anti-Bullying Alliance definition of bullying as:
- ✓ **"The repetitive, intentional hurting of one person or group by another person or group, where the relationship involves an imbalance of power. It can happen face to face or online."**
- ✓ JCA recognises the Anti-bullying Alliance social model of bullying, to include the following roles:
- ✓ **Target, Ring Leader, Reinforcer, Assistant, Defender** and the **Outsider**.
- ✓ JCA will recognise students taking the roles of Ring leader, Reinforcer and Assistant as **perpetrators** of the bullying.
- ✓ JCA will investigate and sanction bullying behaviours that occur **face to face**, and **online**, and that occur **in school**, and on the **journey to and from school**.
- ✓ JCA encourages **all** students and parents to **report any behaviours of concern**. These can be reported to **any member of staff**, to **reception**, or via the JCA contact email address JCAinfo@clf.uk.
- ✓ All reported incidents will be **investigated promptly**. If behaviours are found to be discriminatory or bullying, **parent meetings** will be held and appropriate **sanctions**, **educational activities** and **restorative actions** will be arranged.
- ✓ **Repeat** involvement in bullying behaviours will result in **escalating** sanctions.
- ✓ A **JCA Anti-Bullying Working Group**, consisting of interested staff, students and parents, will meet on a **termly** basis to progress anti-bullying strategies.

The ringleader – Starting and leading the bullying but not always the person 'doing' the bullying.

The target - The person who is being bullied.

Assistant(s) - Actively involved in 'doing' the bullying.

Reinforcer(s) - Supports the bullying, might laugh or encourage other people to carry on what is going on.

Defender(s) - Stands up for someone being bullied. Knows that bullying is wrong and feels confident enough to do something about it. This might involve talking to an adult in school.

Outsider(s) - Ignores any bullying and doesn't want to get involved.

Parental Controls Link

Dear parents and carers,

We would, once again, like to draw your attention to the following website.

<https://www.internetmatters.org/parental-controls/>

We are yet to find a website that offers such comprehensive information about ensuring your child's safety whilst accessing the internet.

Never before has online security been so important in protecting our young people from harm and the above site offers guidance on how to do this most effectively.

Parental controls are the names for a group of settings that put you in control of what content your child can see on the internet. Combined with privacy settings these can help you protect your children from the things they shouldn't see or experience online.

The step by step guides on the website, will help you set up the right controls and privacy settings.
