War In Ukraine

Our daily tutor time is an essential part of our school day. It is the space where we can discuss current affairs. As a result, since we have returned after half term, we have been supporting our students to understand what is happening in Ukraine and why. Followed by education on how to avoid misinformation on the internet.

This week we will be looking at what to do if you are upset by the news. We will continue to be responsive to the events in the news, allowing students to be well informed with an opportunity to discuss how they are feeling. If you want further information on these tutor sessions, please do email jcainfo@clf.uk and ask to speak to your child's tutor

Councillor Role

We would love a volunteer from our community to join our governing body [@johncabotnews](https://twitter.com/johncabotnews). If you'd like to help empower, nurture and inspire young people in Kingswood, find out more at <https://clf.uk/volunteer-with-us/> or email JCAinfo@clf.uk

Our CLF Academy Councillors share their experiences

John Cabot Academy

Angela Long - Academy
Councillor

Education is so important, and it is the responsibility of the whole community. So many people have so much to offer in terms of life experience, so being a school governor is an effective way to utilise those skills and also enjoy making a difference. Education matters. Help it matter more!

Duke of Edinburgh

Just a reminder that this Wednesday, the 16th March, all DofE students will be in school from 08:40 – 15:20 to complete their training prior to the expedition.

Please ensure they are at school with their hiking boots and a packed lunch
