### *JCA Routines – Corridor and Social Behaviours*

---

In our classrooms, we use consistent boundaries and well understood routines called 'Ready to Learn'; students know and follow these routines well. As students move into corridors to transition between lessons and/or during their social times, some of these behaviours where we empower each other to feel safe are not always followed. Recent student voice has told us that some students find moving between lessons an unpredictable time; noise levels rise and other students show less care towards each other.

We walk quickly and quietly between our lessons to support each other in feeling safe. At breaktime and lunchtime, we are mindful of each other and go out of our way to empower ourselves and those around us to enjoy our social times together.

#### **Reflection and commitment:**

Is your child aware of how to move around the corridors at JCA to keep themselves and others safe?

Does your child ensure they've gone to the bathroom at break or lunch to ensure they are not late to their lessons?

Does your child have a good routine to relax at break/lunchtime and catch up with their friends?

So, when Mr Warbucks offers to adopt her, she asks him to help find her real parents. Warbucks' whopping reward for Annie's parents attracts the attention of con artists Rooster, Lily and the wicked Miss Hannigan, who hatch a plot to kidnap Annie and take the \$50,000 reward.*
