25 th May	Year 8 Parents Evening Online
27 th May	Last Day of Term
6 th June	Start of Term 6

JCA Routines – Uniform

Welcome back to Term 5; it's such a pleasure to enjoy the longer hours of daylight as we welcome students to school in the sunshine. Our students look really smart when they are fully dressed in our uniform. However we've noticed an increase in the number of non leather shoes being worn by students as well as black leggings/black joggers instead of school trousers and/or PE bottoms. Please do ensure

your child(ren) have the correct uniform both for PE and for school. Our full uniform list is on our website:
<https://johncabotacademy.clf.uk/uniform/>

Advanced notice:

After the May half term, students no longer be able to wear outer layers when inside the school building. This means that students, should they wish to wear anything over their shirt and tie or PE top, must have one of the following:

School blazer

School jumper

PE hoodie (these may be worn over 'regular' school uniform as well as over PE kit).

Please do ensure your child/children have at least one of the above that fits them. Any concerns, please do contact the pastoral team.

Gemma Read
Vice Principal

Important Health Information

Dear Parent / Carer,

COVID-19, Measles, Mumps, Chickenpox, and Shingles.

Please may we ask for your co-operation in an important matter.

One of our pupils is receiving medical treatment at the Bristol Children's Hospital, which puts them at risk if they are exposed to COVID-19, Measles, Mumps, Chickenpox, and Shingles. We also need to be made aware if your child has diarrhoea and vomiting, flu-like symptoms, slapped cheek or any other illnesses.

If anyone in your house has symptoms of covid and are getting tested, please let school know.

Please let us know immediately if your child is suspected of having measles.

Our pupil is also at risk from chickenpox and would require a medical review within three days of contact. If your child is suspected of having chickenpox, please also let us know immediately.

It is also important that you let us know if there is shingles in your household.

Your child is not at risk whatsoever from this situation. However, the health and well-being of our pupil who is at risk, does depend on the co-operation of all other parents and we hope you can help us.

With many thanks,

Yours sincerely,

Connie Dunnill
Year 7 Student Support Lead

South Gloucestershire Council Health and Wellbeing Survey

The South Gloucestershire Council have launched a mini survey aimed at capturing the wellbeing of children and young people.

This survey is a powerful vehicle for children and young people to give their voices on some of their life experiences and will provide invaluable insight for the public health team, the wider council, and its partners to better inform and set priority areas for improving health and wellbeing in our communities and to ensure the allocation of resources is also influenced by these insights

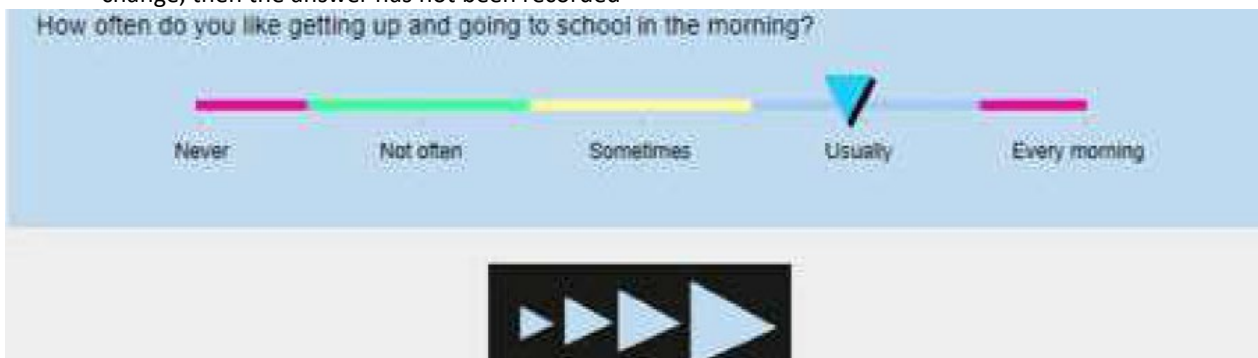

Please see the below link and login to take part in the survey

Survey Link: <https://sgl2022sops.fabsurveys.co.uk/>

User ID: 8036906

Password: 5et2g9?x8

- The survey is suitable for PCs, laptops and iPads / tablets
- It will also work on mobile phones, but is easier to complete on larger screens
- The characters in the password are case sensitive
- The survey should take approximately 10 – 15 minutes to complete
- It is essential to enter the correct year group when logging into the survey
- At the bottom of each page there is a forward arrow to press to go on through the survey
- Please do not go backwards as data may be wiped and you will have to complete that page again. If you do need to go backwards, please use the backward button and not the browser back button
- Sliding scales in the survey – you will need to click the cursor (so that the colour changes) even if the chosen answer is in the default position (i.e. the middle). If this is not clicked, and the colour does not change, then the answer has not been recorded

How often do you like getting up and going to school in the morning?

Never Not often Sometimes Usually Every morning

- No identifying information is collected and the data will be averaged, so this is anonymous
- Safari is the recommended browser to use for this, as in Chrome the back button may log users out

Islamic Relief Charity Fundraiser

As part of observing Ramadan, some of our Year 7 students wanted to do some fundraising within so held a bake sale on Friday 29th April for the Islamic Relief Charity.

The students made cakes and treats, and then sold them in the day, raising an amazing £150.00

Well done to all who took part.

Year 8 & 9 Residential Trip Information

For any parents or carers of year 8 and 9 pupils attending the Residential Trip, but were unable to attend the information evening, please find the below link regarding this

<https://johncabotacademy.clf.uk/newsletters/year-8-9-residential-student-information-2022/>
