Dear Parent/Carer

FAO Students sitting Sports Science Exam at JCA – COVID-19 Testing on Friday, 08 January 2021

As described in our previous letter, the DFE have indicated to us that the following January exam can go ahead as planned:

11th January 2021: 9am Sports Science (Year 10)

To keep everyone safe, we are inviting students sitting this exam to take a lateral flow COVID test on-site in before their exams (provided we have consent). Those who test positive will then need to go for a full COVID test.

If you do consent to testing, please first ensure you have filled out the consent form: [click here to access the consent form](#). Your child should then come into school to be tested on the following date/time:

Surnames A-H

DATE: Friday, 08 January 2021

TIME: 1:00 PM

Surnames I-Z

DATE: Friday, 08 January 2021

TIME: 1:30 PM

Your child will not be disadvantaged if you do not consent to testing – they will still be able to sit the exam. Your child will also not be disadvantaged if they cannot sit the exam for any reason.

Kind regards

Kate Willis
Principal
John Cabot Academy
