[1] This service is to request a copy of script to support a non-priority **review of marking**

[2] Where a copy of a re-checked or reviewed script is required, this should normally be applied for at the same time as the RoR request to meet the relevant non-priority RoR deadline; check the relevant awarding body's post-results services information to confirm this process and deadline (An individual awarding body may automatically provide a copy of the reviewed script with a clerical re-check or review of marking as part of the service, and there may be no charge for this)
