Support to  
make the  
right  
decision

1. Booklet with all of the subject information in it
  2. Taster and information sessions – for you to try out and find out more about the subjects you don't study in Year 9
  3. Parent and carer evening
  4. Speak to Ms Searle, your tutor or year team
- 

# Which subjects will I study?

English, maths, combined science

PE

PSHE

4 more

How did you “choose”?  
Why did it take so long?

A combination of factors, it's very complicated!

What other people chose has a huge impact

Very careful decisions to balance first and second choices,  
teachers' views, balance of subjects for each student,  
suitability of assessment...

# How will I find out?

---

Parent/carer will receive an email tomorrow afternoon (Friday)

You won't know until after school

Tell them to look out for it!

Same person as received the link to the form

What if my parent/ carer hasn't received the email? Or there's a different problem?

Come and talk to me

Monday, Tuesday, Wednesday, Thursday

Y9 lunch in canteen

# Can I change?

Probably not. Very little space in most classes

I will run a waiting list for changes but it's unlikely I will be able to make many

What about September? Only in the first week

What about swaps? No!

# Will I get my first or second choices?

1/3 of students have all 4 first choices

This means 2/3 don't

If I had the choice between :

- giving one student 4 firsts and one student 4 seconds
- giving two students 2 firsts and 2 seconds

I chose the second option!!

# What do I do if I'm really unhappy?

---

Come and talk to me

Monday, Tuesday, Wednesday, Thursday

Y9 lunch in canteen

Or get parent/carer to email [JCAinfo@clf.uk](mailto:JCAinfo@clf.uk) with *y9 options* in subject

Come and talk to me!
