1.1 Definition of Communication:

The imparting or exchanging of information.

1.2 Aim & Principles of the Policy:

Following a 12-month project to develop communications within the academy by understanding the wants and needs of Parents and Carers, we have developed this policy. We recognise that families are crucial to the education and development of students and effective partnerships between home and school have a positive impact on students' learning.

The aim is to ensure effective communication between the school, the pupils, their parents and carers and other members of the wider community.

The principle is that all communications are clear, professional, respectful, timely and relevant.

1.3 Responsibilities:

SLT: Ensure effective communication with all stakeholders.

All staff: Communicate wherever possible by phone within 5 working days or sooner if an urgent enquiry. Respond within working hours only. Logging phone calls on SIMS. Communicate only from school email/phones. Provide updates for the newsletter, Facebook page, Twitter feed and website. Post homework on Show My Homework (SMHW).

Parents: Inform the academy of any absence. Ensure all contact information is up to date. Check SMHW regularly to ensure HW completion. Not to contact child by mobile during the day as it contravenes our mobile phone policy. Attend Parents' evenings.

1.4 Scope of the Policy**1.4.1 Academy to Home:****1.4.1.1 Provision of day to day information**

Useful information e.g. term dates and celebration of events occurring within the academy will be communicated as follows.

- Website.
- JCA Facebook page – a 'live' version of our weekly newsletter. This page is intended for parents and carers.
- Weekly newsletter.
- Letters – emailed home and also posted on the website. All letters are processed via the Academy admin team to ensure quality control.
- Twitter @johncabotnews. The purpose of this account is enhance the reputation of the academy within the wider education establishment. Therefore tweets will refer to the wonderful activities happening both for students and staff.

1.4.1.2 Provision of student specific information

Attendance, behaviour record, lesson scores, academic performance and other information specific to an individual student will be communicated via the methods below.

- Insight App –see attendance, lesson scores and reports, ability to update the contact information we hold for our students
- Daily absence/lateness text
- Twice yearly data report – which will be sent to the Insight App

- Homework App: ShowMyHomework
- Parents' evenings x1 per year (x2 in year 11). Conducted online via SchoolCloud
- Face to face meetings for a specific reason
- Postcards home – celebrating something the student did that was above and beyond our usual expectations
- Text messages to say a student's mobile phone has been confiscated
- Home visits

1.4.1.3 Emergency communication

In the event of an academy wide emergency e.g. the academy had to close due to snow, we would use a selection of the following to keep parents updated.

- Text the priority contact parent(s) or carer for whom we have an up to date mobile number
- Email the priority contact parent(s) or carer for whom we have an up to date email address
- Post a message on the website
- Post on our social media sites

In the case of an emergency that affects a single student or small group of students e.g. an injury in PE, we will phone home directly.

1.4.2.4 Communication in the event of a behaviour incident

If a student receives a '1' behaviour score at any point in the day, the student will be expected to attend a restorative conversation at the end of the school day. Parents and carers will be advised of this via text during the day. The teacher will phone home that evening to explain the incident with the parent/carer. Teachers can choose to record this call (or a missed call) in the SIMS communication log, should they wish to.

If a student is suspended, senior staff will phone home to discuss the incident prior to the suspension. A formal letter will follow via email.

All significant meetings related to behaviour e.g. readmittance from suspensions or 'stage' meetings, will have a follow up letter sent via email summarising the discussion.

1.4.2 Home to Academy:

1.4.2.1 Routine enquiries

Please email jcainfo@clf.uk

An acknowledgement email will be received. Our reception staff will forward the email to the relevant member of staff who will reply within 5 working days by phone wherever possible to build relationships and avoid the ambiguity that can occur with emails. Furthermore, it allows our staff to stick to acceptable working hours and not feel obliged to reply to emails in the evenings or weekends. Staff emails will not be published on the website, nor will they be shared with parents by any other means.

1.4.2.2 Urgent enquiries

In the case of an urgent enquiry, please call the academy on 0117 976 3000 and our receptionists will forward the call to an available member of staff. Reception is open 7:45am to 4:30pm.

A brief record of each phone call will be logged on our information management system, SIMS.

Examples of urgent enquiries are:

- Any concern about the safety of your child or any other child
- A change in who is picking up your child or where your child has to go after school

1.5 Feedback

After each Parents' evening we will send out a survey to parents and carers to ask for their reflections on the academy in general which we will use to inform strategic planning for the academy. Please do take this opportunity to suggest improvements to the school generally.

1.6 Dropping into the Academy

It is usually not possible for staff to see parents without an appointment as they are likely to be teaching. Please email jcainfo@clf.uk to request an appointment.

1.7 Respectful Communication

The principle is that our communication is respectful and professional. It is recognised that emotions can run high, but it is expected that all communication is respectful and staff are treated with dignity. If this is not the case, staff have the right to finish a phone call or end a meeting, once a polite warning has been given.

We will not permit conversations to be recorded electronically, if this is attempted, we will end a call/a meeting. A written record can be kept of any meeting.
