

We want students:

- To gain a sense of self through the use of language and understanding others.
- To gain a sense of agency by expressing themselves confidently and appropriately.
- To gain a sense of place in the world by exploring different viewpoints and expressing one's own opinion.
- To seek meaning by decoding reading
- To make connections between the past and present and explore how they impact on our future
- To provide students with the knowledge and skills to be able to communicate appropriately for purpose.

**Curriculum Implementation & Impact Statements**  
In lessons you will see students:

- Engaging in confident discussions and debates
- Crafting ideas and opinions
- Reading and understanding a variety of texts considering contextual factors and authorial viewpoints
- Decoding texts to understand meaning
- Developing and crafting a personal voice and style in writing
- Recalling previous knowledge and using learned skills
- Being empowered through their developing understanding of the English language
