Dear Parent / Carer,

Re: GCSE Coursework, parent / carer evening and Easter Holiday study support

I wanted to write to you to say how incredible our students were in the coursework days that took place during the industrial action days. The students were focussed and made significant improvements in their work. There is a real impetus amongst the students to get their coursework done to a high standard.

As they approach the final exams it brings students huge confidence to know they have already got a great coursework mark 'in the bag'. So, we want to support them as much as possible to achieve their best possible coursework grades in these remaining weeks.

Coursework Deadlines:

Subject	Final deadline for submission of coursework	Marks given to students	Marks Submitted to Exam Board

Health and Social Care	Students may be able to continue working on <i>some</i> of their coursework until the middle of June. However, most should be done by Friday 21 April.		26 June

Have you booked your Parents' Evening slot for Wednesday 29th March? As the teachers will be able to give lots of detail about your child's current performance.

There is a huge amount of work going on in lessons, but we are also going to run coursework sessions in the Easter holidays on the following days.
