As an Academy we will:

- Create a learning community where students are engaged, challenged and inspired
- Provide moments of awe and wonder in and out of the classroom
- Provide a supportive and compassionate culture in which the whole person is nurtured and the voice of students is valued
- Have consistent boundaries and well understood routines that everyone knows and understands. This consistency is the key to feeling safe
- Build and sustain trusting and respectful relationships between staff, students and parents
- Follow our communications policy which we created with our parents to meet their needs
- Celebrate the diversity of the members of our community, enabling them to learn from each other
- Provide opportunities to students to contribute to Academy life and the wider community
