

GCSE Exam Preparation & Revision Catalogue 2023-24

How to use this Catalogue

This catalogue has been produced so that both students and parents/carers have all the appropriate information on revision resources and equipment recommended by subject teachers to support learning. The selection of books available for you to purchase online are tailored to your child's option choices.

It is designed to make the purchasing of Revision Guides and equipment much simpler for you. All the books and equipment in this catalogue support students in Year 11 preparing for the Summer 2024 examination series.

All the resources outlined are available to buy via the SCOPAY, our online payment system – please copy the following link to the login page to your browser: -

www.scopay.com/john-cabot-ac

If you do not already have a SCOPAY account set up or have any queries regarding purchasing, current orders or using the online payments system, please email JCAFinance@clf.uk or call and ask to speak to the Finance Office.

Once purchased by the parent/carer, the resources are ordered by our finance team and then passed to the students at the academy on delivery. As an academy we can take advantage of buying in bulk and therefore often secure these books at a discounted price. We can pass this discount onto parents/carers, so the price on our online payment system can be the same but will often be cheaper as other online retailers.

The prices stated in this catalogue are approximate costs and correct at the time of publication and can change in line with the prices of the supplier(s) that we use – for this reason, this is intended as a guide only. The accurate and up to date pricing is always available on SCOPAY, our online payment system. We update prices as soon as we are advised by the supplier(s) that they have changed the cost of a particular item.

As an academy, we are aware of the additional costs to parents/carers in supporting their children through GCSE courses, therefore, this catalogue outlines recommended and optional texts and equipment. All items in this catalogue are worthwhile purchases and are promoted by the subject teams at John Cabot Academy, however, if you are looking to stagger your purchasing, then we would suggest buying the 'recommended texts' first and then the 'optional texts' second.

For some subjects there are different tiers of entry (higher/foundation) and some books are targeted at specific target grades. If you are unsure about which book to select, please discuss with your child and/or their subject teacher prior to placing an order. All contact details are on the academy website.

****Current order deadline is 24th November 2023****
