

**Welcome to
John Cabot Academy
Class of 2023**

Welcome to John Cabot Academy

We are delighted to welcome you to John Cabot Academy. At JCA, we understand that leaving primary school and starting at secondary school can be a worrying time for so many young people and their families, as well as a new exciting phase in your educational journey. We are keen for students to feel as confident and as settled as possible when they join us at JCA.

Please take the opportunity to look through this booklet, along with the school website, which has a range of important and useful information to help the transition to secondary school be a smooth one.

By working closely together we will be able to ensure that your children, our students, grow and develop into young people who can fulfil their potential.

Success in education comes as a result of consistent, day in, day out discipline, hard work and attention to detail. Achievement for your child will follow if they focus on following these 'core basics' for students:

- ✓ Attend school every day and go to every lesson on time
- ✓ Wear the correct uniform and bring the correct equipment
- ✓ Follow the Ready to Learn behavior system (more information below)
- ✓ Be respectful, supportive and compassionate in your relationships with staff and fellow students
- ✓ Be inquisitive, critical and curious in your lessons
- ✓ Contribute to the wider academy life e.g. by being on the student council or joining a sports team or performing in a production

Please discuss these with your child. These statements are not intended to cover all circumstances but I hope they provide you and your child with the ethos with which we will go about our business at John Cabot Academy. Hopefully, through home and school working together and sticking to these common 'basics', we will be able to ensure that all students have the very best chance to thrive academically; flourish and grow as young people.

With best wishes

Kate Willis
Principal

Assemblies

Year group assemblies are held every week throughout the year, and will cover a range of topics that impact on student's lives. Often these topics will focus on the safety and wellbeing of young people; guest speakers may also be invited in to talk to students. Each term students will also be involved in Celebration/Rewards assemblies led by their Pastoral Team.

Attendance & Absence

Good attendance is one of the most important contributing factors to overall school success. We want students to aim for at least 96% attendance. This means taking no more than 5 full days off during the course of the year.

Illness or other absence should be reported on the first day and every following day of absence.

Tel: 0117 9763000 – available 24/7.

Please provide the following information:

- Your name, your child's name and community
- Reason for absence
- Expected return date

If we do not receive a phone call, we will send a truancy message.

Please avoid booking medical and dental appointments during the school day. If students have medical or dental appointments we ask, wherever possible, for students to come to school first to get their 'mark' and to be picked up from school as necessary. If students know in advance that they will be absent from school, for example for medical appointments, a note advising the tutor of the date and time of their absence must be brought to school.

Bicycles & Scooters

Electric Scooters are not allowed.

Students may ride bicycles or scooters to school, please ensure:

- The bicycle is roadworthy.
- A padlock is brought to school so that the bicycle or scooter can be left safely, locked in the cycle sheds.
- They wear a helmet.

Students are expected to ride safely and sensibly to and from school. If students do not accept these rules then the Academy may withdraw the right for your child's bike/scooter to come onto the premises. Parents must accept that the school cannot be held responsible for any theft or damage to bicycles/scooters.

Break & Lunchtime

All students remain on the school site at lunchtime. Hot meals (including vegetarian meals), sandwiches, salads, snacks and drinks are on sale in the Dining Hall and Café. All food and drinks must be consumed within the designated areas. Tables and chairs are provided for students who prefer to bring a packed lunch into school. Fizzy or energy drinks are not permitted at JCA.

Our social times are calm and peaceful. Students have designated indoor and outdoor areas, so they can sit and eat and play sports. All students can go to the library at lunchtime. Students must bring their own balls for break/lunchtime play.

Bullying – JCA Anti-Bullying Policy

- JCA has a **moral** and **legal** duty to protect students from bullying behaviours.
- JCA does **not tolerate** discriminatory and bullying behaviours based on race, gender, appearance, sexuality, special educational needs and disability, and/or home circumstances.
- JCA adopts the Anti-Bullying Alliance definition of bullying as:
“ **The repetitive, intentional hurting of one person or group by another person or group, where the relationship involves an imbalance of power. It can happen face to face or online**”.
- JCA recognises the Anti-bullying Alliance social model of bullying, to include the following roles:
Target, Ringleader, Reinforcer, Assistant, Defender and the **Outsider**.
- JCA will recognise students taking the roles of Ringleader, Reinforcer and Assistant as **perpetrators** of the bullying.
- JCA will investigate and sanction bullying behaviours that occur **face to face**, and **online**, and that occur **in school**, and on the **journey to and from school**.
- JCA encourages **all** students and parents to **report any behaviours of concern**. These can be reported to **any member of staff**, to **reception**, or via the JCA contact email address JCAinfo@clf.uk
- All reported incidents will be **investigated promptly**. If behaviours are found to be discriminatory or bullying, **parent meetings** will be held and appropriate **sanctions, educational activities** and **restorative actions** will be arranged.
- **Repeat** involvement in bullying behaviours will result in **escalating** sanctions.
- A **JCA Anti-Bullying Working Group**, consisting of interested staff, students, and parents, will meet on a termly basis to progress anti-bullying strategies.

WEEK 1

Celebrating Success & Rewards

Everyone at the Academy is enormously proud of the achievements of our students. We are proud of work in the classroom, extra-curricular activities and the achievements students have whilst pursuing their own interests and hobbies.

Students are given lesson scores every lesson for their effort, achievement, and behaviour within the classroom with 5 for Excellence in their learning, 4 being for Ready to Learn, 2 for having to be given a warning and 1 for unacceptable behaviour resulting in the student being withdrawn from the classroom. At the end of each term, Year group teams hold celebration assemblies where students receive certificates, prizes and praise for their efforts and achievements within the classroom and for their outstanding contribution to Academy life.

Communications

Useful information e.g. term dates and events will be communicated as follows:

- JCA Website
- JCA facebook page
- JCA Twitter page
- Weekly newsletter (emailed to you)
- Letters emailed home to you

It is therefore **essential** we have your up to date email address

<https://m.facebook.com/JohnCabotAcademyNews>

<https://twitter.com/johncabotnews>

Apps & Websites

Provision of student specific information:

- A new app will be launched in September giving you lots of live information on your child at JCA.
- Show My Homework – This is our online homework diary.
- School Cloud- this is the software we use to hold online Parents Evenings.

Online Payments

We use an online payment system for trips, events, music tuition, learning resources, ties and school lunches. Full details will be provided in September.

Canteen Payments

Here at John Cabot Academy, our canteen uses a cashless system.

Students and parents have a choice of either:

Using a biometric fingerprint reader to access their canteen account (this is our preferred option)

Or

Entering a 4 digit PIN (personal identification number) into a PIN pad to access their canteen account.

We unfortunately do not offer an overdraft facility so it's important to ensure the student has money on their account.

Once you have made a payment, it does take around 20-30 minutes to reach the students account, so it is recommended that you top up in the evening.

Parents: if you have any concerns over spending or food choices it is possible to set a daily spending limit or to restrict the purchase of certain items. Please contact Polly Cotton, Aspens Canteen Manager, on **0117 982511** in order to set this up. In addition, the cashless system records all purchases for the academic year so if you have any concerns, please contact Polly on the number above.

Water

Students need to bring their own water bottles to refill at the water fountains. For environmental reasons we do not provide cups.

Curriculum

The subjects you will study in Year 7 are English, Mathematics, Science, Design and Technology, Languages, Geography, History, Religion & Philosophy, Music, Drama, IT, PE and Personal, Health and Social Education. There will also be Safety Days throughout the year which provide education on topical safeguarding issues.

In year 9 you will pick your GCSE options which will be in year 10.

Each year there will be two 'formal' assessments at the end of terms 3 and 6. Results of these assessments will be sent home in reports.

The full curriculum is available to view on the website.

Lunchtimes vary for each year group between 12.20 pm and 1.50 pm.**

Emergency communication

In the unlikely event of a sudden closure, due to bad weather or other emergency situations, information regarding the closures will be available on the school website, via email and text. It is therefore important that the Academy has up to date contact information.

If you have an urgent enquiry, please call the academy on 0117 976 3000 and our receptionists will forward the call to an available member of staff. Reception is open 8am to 4:15pm.

Equipment

Below is the minimum requirement of the equipment you should have. Many students choose to carry additional items.

Black or blue ballpoint pen x 2

Pencil sharpener

Ruler

Scientific calculator

Pencil

Pencil eraser

Maths set

Pencil case

Pens and Calculators can be bought by students from the finance office during the day.

Extra-Curricular Activities

There is a huge range of extra-curricular activities available to our students. They are broken down into various categories:

Sport – everything from football to badminton to climbing.

Drama and Music – the annual production has a cast and backstage crew of hundreds. Then there is the annual 'battle of the bands' and a dance show and lots more besides.

Academic – as students get older, there are lots of academic clubs for students to join to get support with their subjects or to take on additional qualifications for example the popular further maths club.

Duke of Edinburgh – this highly respected scheme runs at JCA.

Equalities groups: We have our equalities council, our LGBTQ+, gender equality, young carer and environment groups for students to join.

Student Council: The executive student council work with the senior team to help improve the school. They work through the student council reps for each tutor group and each equalities who are voted in by their fellow students.

Fire Alarm and Lockdown

The fire alarm is a continuous siren. At the sound of the alarm leave the building by the nearest fire exit. Walk with your class to the large Astroturf in an orderly fashion in **silence**. Students should line up in tutor groups and stand in silence awaiting further instructions.

Students who are talking during the fire evacuation will be sanctioned within the Ready to Learn system by being sent to the SLR.

If a lockdown is implemented when there is a serious security risk to the occupants of the building an intermittent sounding alarm will be heard (sound – silence – sound – silence – etc). Each section lasts 8 seconds.

Students will be required to stay/move into the nearest classroom. The door will be locked and windows and doors will be covered. Lights will be turned off. Students will be asked to move away from windows and doors. All mobile phones will be turned off or on silent mode. Students are asked to be calm and quiet and to stay in the room until a member of staff or the police arrive to tell you it is safe to leave the room.

Graduated Response

At the end of each term we review all behaviour incidents for each student. If a child has had a number of incidents, they will be assigned a behaviour stage:

Stage 1 – 6-10 incidents

Stage 2 – 11-15 incidents

Stage 3 – 16-20 incidents

Stage 4 – 21+ incidents

Significant numbers of behaviour incidents are clearly going to disrupt a child's education and so at each stage we have greater and greater levels of support available in order to re-engage your child with education. In stage 1 this may be as simple as being on report to their tutor, at stage 4 we may involve Educational Psychologists or external mentoring agencies. This is known as the graduated response. What is key is that school and parents/carers at homework together to support our students to fulfil their potential.

Homework

At JCA we know that study at home is an important part of making progress. Not all learning can take place in school. Homework will be set weekly for each subject and will be an essential component of preparing for assessment, reflecting on what has been learnt and preparing for units of work to come.

All students have access to Show My Homework and can therefore view and complete homework or any missed learning from a lesson due to absence.

Parents will be given a Show My Homework login so they can check the homework set.

IT safe and acceptable use

Students must understand that they should only use IT systems in a responsible way to ensure there is no risk to their safety or the safety and security of IT systems and other users. IT includes PCs, mobile phones, tablets, game consoles etc.

- JCA will closely **monitor** use of IT systems and communications.
- Students must only use their **own** login and passwords.
- Students should keep their login details **private**.
- Students should not visit age inappropriate or unsafe sites or register for things that they are not old enough for.
- Students should not upload, download or access anything online which is illegal or inappropriate or may cause harm or distress to others.
- Students should not take or share images of anyone without their permission.
- Students should take care about what they publish on the web, as once published they cannot control what it is used for (digital footprint).
- Any unpleasant or inappropriate material or messages seen online **must** be reported.
- If a student receives an upsetting message/e-mail, they must not reply but save it and report it.
- If a student receives an upsetting image via a chat program or posted on a social networking site, they should take a screen shot of it and report it to the social media platform, their parents and carers and/or JCA staff.
- Attachments should not be opened unless the student knows and trusts the person who sent it. Always double check.
- All students must understand that school **IT is for learning** and they cannot use the school systems for personal use or fun unless permission is given.
- JCA has the right to examine any data or files on a device if they think there is a good reason to do so.
- JCA may have to notify the police of any inappropriate IT usage including offensive or threatening message sent to others online.

For more detailed information about **E-Safety** at John Cabot Academy, please refer to the online policy

Any concerns over the safety and welfare of a child, you should immediately contact the designated safeguarding team on 0117 9763000 or via jcainfo@clf.uk

Mental Health

School Counsellor

JCA employ our own counsellor to support our students, giving students much quicker access to a counsellor than may otherwise be possible.

Students bring a wide range of issues to counselling including bereavement and other loss and change, family and peer relationship difficulties, mental and physical ill health, anxiety, panic attacks, stress, depression, social media and internet issues, assault, sexuality and gender, self-esteem, and the impact of Covid-19.

Mental Health Support Team

Bea Morris is an Education Mental Health Practitioner who will be supporting young people at John Cabot Academy in September. She will work with students providing low to moderate Mental Health Support. One aspect of her role involves working on a 1-1 basis with young people and sometimes their parents, delivering Low Intensity Cognitive Behaviour Therapy (Li-CBT).

-

Mobile Phones

JCA has a mobile phone ban for two reasons. Firstly, it is difficult for students to concentrate in their lessons if they have their phone on with notifications popping up all the time. Secondly social media is a significant source of bullying and peer pressure. By having a phone ban, we give them a break from this constant pressure.

If a mobile and/or headphones are seen between 8:40am and 3pm, it will be confiscated. Students can collect their devices from reception at the end of the day. We will alert you by text if your child has their

phone confiscated during the day. If your child chooses to bring their mobile to school, the school cannot be held responsible for any theft or damage to it.

Parents' Evening

Parents Evenings

Each year group will have one (two for year 11) Parents' evenings each year. These are timed to coincide with key events in the year e.g., option choices for year 9 or mock exams for year 11. Please see the Events page of the website for dates of Parents' evenings.

Pastoral Care

We are proud of the care we give to students at John Cabot Academy. Students in the same year group are in tutor groups together. Each year group has an experienced team of dedicated staff supporting their academic and wellbeing needs.

Tutor – A member of staff who supports and oversees the tutor group.

Tutor group – Made up of students in years 7 who meet once a day.

Year team – Dedicated pastoral staff to support students in year 7.

Photographs

Parents who do not wish their child’s image to be used in any publicity material should inform the school in writing; this information will be recorded on the school’s database. If we do not receive communications from you on this matter, then we assume that you consent to your child appearing in photographs that we may use in publications/communications.

Ready to Learn

Ready to Learn is our whole school behaviour policy which covers all aspects of school life and underpins our culture at John Cabot Academy. Having these consistent boundaries and well understood routines is the key to everyone feeling safe. And the feeling of safety and security enables students to explore, develop and express their individual identities – their *sense of self*. By sending your child to JCA, you are therefore agreeing to support the Ready to Learn policy.

Reports:

Each year group will receive two reports each year:

- During term 3, a data report
- During term 6, a data report based on the end of year exams

Routine Enquiries

Unlike primary school, parents must make an appointment to see teachers/staff – we are not able to see parents without appointments.

Please email info@jca.cabot.ac.uk

An acknowledgement email will be received. Our reception staff will forward the email to the relevant member of staff who will reply within 5 working days by phone wherever possible. This is to build relationships and avoid the ambiguity that can occur with emails. Furthermore, it allows our staff to stick to acceptable working hours and not feel obliged to reply to emails in the evenings or weekends. Staff emails will not be published on the website, nor will they be shared with parents by any other means.

Safeguarding

Our school recognises its moral and statutory responsibility to safeguard and promote the welfare of students. Staff endeavour to provide a safe and welcoming environment where children are respected and valued. We are alert to the signs of abuse and neglect and have approved procedures to follow to ensure that children receive effective support and protection.

Uniform

For full details of uniform requirements and a link to the Trutex website, please go to the John Cabot Academy website – Our Academy – Uniform.

Students wear their PE kit to school on days they have PE.

Please note that the only item of uniform we sell in the academy is school ties so that you can purchase a replacement tie quickly if your child loses one. These are available to purchase online and once this is done, they will be available to collect at the finance office.

Pre-loved uniform is available to buy from reception and is free for students in receipt of free school meals.
